This file was linked to that relating to the recommendation of the Comptroller re. duty allowances to Assistant Comptrollers.

The recommendation of the Finance Committee to reduce the duty allowance of the State Huzur Treasury Officer from Rs.100 to Rs.50 has, after due consideration, been accepted by the Government and orders have been issued on 3rd Novr. 1922.

The State Huzur Treasury Officer is also Superintendent of Stamps and he has submitted through the Commissioner of Stamps a representation asking for a reconsideration of this order. It should be noted, however, that the Comptroller has not asked for such reconsideration although he did so in regard to the duty allowances of certain other Assistant Comptrollers.

The State Huzur Treasury Officer says that originally the allowance was Rs.50 as in the case of other Assistant Comptrollers, but the allowance was raised to Rs.100 under Govt. Order No.449/C.B. dated the 1st October 1919 in consideration of the special responsibility attaching to the charge of the State Huzur Treasury Officer including the charge of the

Stamp Office. The Commissioner of Stamps says that the prayer of the State Huzur Treasury Officer seems to him to be reasonable.

A reference to the file of October 1919 raising the allowance of Rs.50 to Rs.100 shows that this was sanctioned more with a view to meet the special circumstances of Mr. M. Srinivasa Murthi's case and not on any recommendation for enhancement of allowance either from the Comptroller or from the Commissioner of Stamps.

On the recent proposals of the Comptroller in regard to duty allowances to Assistant Comptrollers, Government have passed orders the effect of which is that Assistant Commissioners doing duty as Assistant Comptrollers will draw a duty allowance of Rs.50 and they cannot get any other allowance in addition, whatever charge they may hold. The intention clearly is that no allowance higher than Rs.50 should be attached to any Assistant Comptroller.

On the whole, it appears to me that there is no justification for a reconsideration of the order.

Sir,

I have the honour to be,
Sir,
Your most obedient servant,

Commissioner of Stamps.

Copy of letter No.157 dated 20th November 1922 from the Superintendent of Stamps in Mysore, Bangalore, to the Commissioner of Stamps in Mysore, Bangalore.

****

I have the honor to invite your kind attention to Government order No.Fl.2008-57 S & A 7-22-9 dated 3rd November 1922, relating to the retrenchment of Duty, Leave and other allowances. It will be seen that the duty allowance of the officer in charge, State Huzur Treasury, has been reduced from Rs.100/- to Rs.50/-. Originally the allowance stood at only Rs.50/-, similar to that of all Assistant Comptrollers. But the Assistant Comptroller, State Huzur Treasury, is the Superintendent of Stamps as well, which latter appointment entails on him very heavy and responsible work, in addition to the Treasury work, which ir itself is of a very arduous nature. In view of this fact, the allowance of Rs.50/- was raised to Rs.100/- Vide Government Order No.449/C.B.141-13-2 dated Camp (Mysore) the 1st October 1919.

The tenor of the above retrenchment order is that not more than one allowance pertaining to different duties of the same office may be drawn by the same officer but when the total allowance drawn is under two or more heads, it should be consolidated (Vide para 3(ii) of the order.) This is precisely the principle that appears to have been followed when the usual Treasury Assistant ~~Comptroller~~ Comptroller's allowance of Rs.50/- was raised to Rs.100/- in consideration of the additional work entailing on him as Superintendent of Stamps. In other words instead of sanctioning another allowance for Stamp work one consolidated allowance of Rs.100/- appears to have been fixed.

For these reasons I request you to kindly move Government to restore the allowance to Rs.100/- in the interest of the Stamps Department. The work of the State Huzur Treasury by itself is exceedingly heavy and taxing and I respectfully venture to submit that it would not be encouraging the Treasury Officer to devote himself wholeheartedly also to the additional heavy work of the Superintendent Stamps, to deprive him of the portion of the allowance, which specially intended to compensate him for this latter work.
